**Dave Steele** Special Lifetime Achievement Award

The main award of the night was a "Special Lifetime Achievement Award" to the Lyme Racing Club President Dave Steele.

Dave is a founder member of Lyme Racing Club and has been one of the main drivers within Lyme RC from the start, his first recorded race for Lyme RC was a 10TT, May 20th 1959 with a time of 27:43; and in 2015 still managed a 28:16 and a long distance Bar of 19.269Mph. Even if not racing Dave always likes to go and chat with other riders not only from Lyme RC, but also other clubs, and is respected throughout the Time Trial and cycling community both regionally and nationally. Dave has always supported the young riders of the club, watching the Newcastle Track league most Thursdays and always asking who is racing, where and what are their results.

We will all look forward to another year of Dave's support this year, not only in his Presidency of Lyme RC, his continuing TT racing, Club Runs and banter: but mostly for his smile.
